What is ERASMUS

Erasmus+ is the EU's programme to support education, training, youth and sport in Europe.

The program aims to give students, trainees, staff and in general young people under 30 with or without a diploma, the opportunity to stay abroad to strengthen their skills and increase their employability.

It helps organizations to work in international partnerships and to share innovative practices in the fields of education, training and youth. Erasmus + also has an important international dimension, particularly in the field of higher education. This dimension makes it possible to open up the program to activities of institutional cooperation, mobility of young people and staff at a global level.

Activities & sectors

Erasmus + is a program dedicated to several sectors of activity:

- school education
- Higher Education
- vocational education and training
- adult education
- youth (non-formal education)
- the sport

The scholarship covers

INSURANCE
